Resumo

Creative full-stack developer dedicated to turning ideas into intuitive and efficient user interfaces. With nearly a decade of experience, I specialize in crafting digital products with clean, responsive, and accessible code.

Currently, I am part of Loba, where I collaborate with multidisciplinary teams to deliver innovative solutions. I believe in the power of technology to connect people and businesses, and I'm always looking for new challenges to grow professionally.

Key skills: HTML, CSS, JavaScript, React, UX/UI

Interests: Web development, accessibility, performance, digital innovation

My portfolio: jonidores.com

If you'd like to exchange ideas about technology or discuss opportunities, feel free to reach out!
